TOURNAMENT REGISTRATION FEE

The rate is seven and one half percent of the first place guaranteed prize (i.e. $\$500 \times .075 = \37.50). There is a maximum limit of \$75.00 for any and all tournaments.

Tournaments that use a graduated list of guaranteed prizes based on the number of entries will pay seven and one half percent of the minimum guaranteed first place prize. For example:

36 entries the guaranteed prizes would be: \$250.00, \$125.00, \$65.00
41 entries the guaranteed prizes would be: \$300.00, \$150.00, \$75.00
etc.

The fee for paying the 36 entries level would be \$18.75. Should the tournament actually pay out prizes at the 41 entries level the fee would be \$22.50. If the higher amount was actually paid out, the Tournament Director must submit the additional \$3.75 when the final results are submitted to the Congress office. If this occurs for multiple events in a series of events, the

difference for each event may accumulate and should be sent in at the end of the series events.

Any question concerning these fees may be directed to the Congress office at 410-636-2695 or email to membership@ndbc.org.
