B. 2022/2023 Sanctioned Composite League Average, min 45 games

H. Any Youth Bowler will use their highest sanctioned NDYA average
I. NO AVERAGE, bowler will use 160 until they can conform to the rules listed above. Their average will NOT change after 24 games

After 24 games in N.E.T.S, your average will change. It may go up or down a maximum of 5 pins. If a bowler is 12 pins above their entering average, take the difference between the two and divide it in half, add to their entering average and that is the new average

Check in:
All Bowlers must check in 30 minutes before their scheduled shift time.
If you arrive late and the shift has already started, you get a zero for every frame missed. If you miss a complete game, you are disqualified. If there is an opening on the next shift, the director may allow you to bowl on that shift.
If you sign up and don't show or call to cancel 1/2 hour before your shift, you'll be fined: 1st time $10, 2nd time $20, 3rd time suspended

Qualifying Round:
• 6 game block is bowled(Friday or Saturday), depending on the amount of entries for a shift, we may bowl frame for frame or ball for ball
• Qualifiers are based on the number of entries (see prize list)
• Upon completion of each game, the bowler must initial their scorecard. Any changes must be initialed by a Tournament Director.
• Anyone found cheating will be suspended from the tour and written up to the NDBC.
In the event of a tie for the last scratch qualifier:
      • 1 game roll-off (Saturday if both bowlers are present or Sunday at 1:00pm)
      • If still tied after 1 game, 2 frame roll-off will be used. If still tied, 1 frame at a time to determine the winner.
In the event of a tie for the last pins over average qualifier:
      • 1 game roll-off, bowler with the most pins over their average advances
      • If both bowlers don't bowl over their average, the bowler closest to their average advances. If still tied, highest score wins.
In the event of a tie for the final scratch spot: if one of the bowlers can qualify for a pins over average spot, they get that spot and the other bowler makes the scratch cut
In the event of a tie for the final scratch spot: where both bowlers can qualify as pins over average, the bowler with the most pins over average will get the POA spot and the other bowlers will get the scratch spot.
In the event of a tie for the final scratch money cut spot: the bowler with the highest game gets the money cut.

In the event of a tie for the final POA money cut spot: the bowler with most pins over their average in 1 game gets the money cut.
In the event of not enough POA qualifiers above their average: we'll move bowlers from the scratch cut, working from last in then up that had enough pins that would put them in the POA division. For every one that moves, we take the next scratch bowler for the scratch division.

Divisions:
Check in for all qualifiers and alternate(s) on Sunday is normally 1:30, sometimes 2:00. **LISTEN TO THE ANNOUNCEMENTS!!**

POA Alternate: will receive a minimum of $50. If there is a tie, the bowler with most pins over their average for one game during qualifying is the alternate.
If the alternate does not show or stay for the entire head-to-head competition, no one will receive the alternate money. (Tournament director decision).
Each bowler will bowl 5 head-to-head games in their division.
All ties for an individual game: Bowlers will have a 2 frame roll-off, followed by frame to frame to award a win/loss for that game.
